### Information for those with medical conditions:

This booking form is only to be completed by/for Young People or Volunteers. Young people (over the age of 18 years) and adult volunteers are responsible for their own medical and care needs during their time in Lourdes. They should take all reasonable care to ensure that they inform their travel insurance provider about any relevant medical conditions which may affect their stay in Lourdes.

The parents or carers of young people under 18 years of age must notify their group leader directly of any medical or care needs relating to their journey to and from Lourdes and during their stay.

Failure to disclose a medical condition may result in your travel insurance becoming invalid and restrict your ability to travel. If you are on regular medication, have active medical problems or challenges with your mobility and you choose not to join the pilgrimage as an Accueil pilgrim you should consider travelling and sharing a room with a relative, friend or someone who can assist with your care.

During your stay in Lourdes, should your medical situation change and/or worsen and you require assistance by a doctor you will be directed to the local Accident and Emergency or walk-in medical centre in Lourdes. These may be subject to local charges and you should ensure you have a GHIC or a valid EHIC card (European Health Insurance Card).
